Urban Disaster Risk Mitigation and Climate Resilie... (5.4MB)

Dear Mr Sanjeev Kumar

I am Prof. Dr. Sanjukta Bhaduri, contributing to the field of built environment and settlement planning for over 30 years through work in academics and research. I am presently associated with School of Planning and Architecture (SPA), New Delhi (India) as Dean (Research) and Professor in the Department of Urban Planning.

I am offering a Massive open online course (MOOC) on the subject **Urban Disaster Risk Mitigation and Climate Resilient Development**.

The course started from 25th Jan 2019, it is a 15 week course with a detailed understanding of the subject. The learning outcome for the course are:

Urban Disaster Risk Mitigation and Climate Resilient Development

- Understanding the phenomenon of Disasters and climate change
- The interface between urban disaster risks, climate change and Urban Development.
- Policies, Guidelines and Legislation for addressing the Disaster Risks and Climate Change
- Process of Mainstreaming Disaster Risk Mitigation and Climate Resilient Development in spatial planning process
- Disaster management and climate change adaptation measures
- Disaster Risk Governance and Risk Finance.

The course details are attached with this mail for your perusal. Kindly share the same with the people who you think might be interested in the course. Last date to enroll for the course is 25th Feb 2019.
